
TDG GOLD CORP. ADDS TALISKER NOMINEE TO BOARD OF DIRECTORS

White Rock, British Columbia, December 14, 2020. TDG Gold Corp. (formerly, Kismet Resources Corp.) (TSXV: KSMT.P) (the “**Company**” or “**TDG**”) is pleased to announce the appointment of Matthew Filgate to the board of directors of the Company pursuant to the Investor Rights Agreement signed with Talisker Resources Ltd. (“**Talisker**”) on December 11, 2020.

Matt has 10 years of exploration experience with a focus on developing grass roots projects through to resource definition, geological interpretation and project management. He was instrumental in the re-definition of the Barkerville Gold Camp and managed both the greenfield and brownfields drilling campaigns which resulted in the discovery of over 4 million ounces of gold. He currently works with Talisker with a focus on new business, project evaluations and execution of exploration across multiple projects in southern British Columbia. Matt holds a BSc in Geology from the University of Victoria.

With the appointment of Matthew Filgate, the board of directors of the Company is now six members consisting of Andrew French, Terence Harbort, Evandra Nakano, Fletcher Morgan, John-Paul Dau and Matthew Filgate.

About TDG Gold Corp.

TDG is a major mineral claim holder in the Toodoggone District of northern British Columbia, Canada, with over 23,000 hectares of brownfield and greenfield exploration opportunities under direct ownership or earn-in agreement. TDG’s key projects are the former producing, high grade gold and silver Shasta and Baker Mines which are both road accessible, produced intermittently between 1979-2012, and have over 50,000 metres of historic drilling. In 2021, TDG proposes to advance the projects through compilation of historic data, new geological mapping, geochemical and geophysical surveys, and drill testing of the known mineralization occurrences and their extensions.

Qualified Person

Duncan McBean P.Geo., TDG Gold Corp.’s Vice President Exploration, is the qualified person as defined by National Instrument 43-101 and has approved the contents in this press release.

ON BEHALF OF THE BOARD

Fletcher Morgan
Chief Executive Officer

Cautionary note regarding forward-looking statements

Certain statements made and information contained herein may constitute “forward looking information” and “forward looking statements” within the meaning of applicable Canadian and United States securities legislation. These statements and information are based on facts currently available to the Company and there is no assurance that actual results will meet management’s expectations. Forward-looking

statements and information may be identified by such terms as “anticipates”, “believes”, “targets”, “estimates”, “plans”, “expects”, “may”, “will”, “could” or “would”. Forward-looking statements and information contained herein are based on certain factors and assumptions regarding, among other things, the estimation of mineral resources and reserves, the realization of resource and reserve estimates, metal prices, taxation, the estimation, timing and amount of future exploration and development, capital and operating costs, the availability of financing, the receipt of regulatory approvals, environmental risks, title disputes and other matters. While the Company considers its assumptions to be reasonable as of the date hereof, forward-looking statements and information are not guarantees of future performance and readers should not place undue importance on such statements as actual events and results may differ materially from those described herein. The Company does not undertake to update any forward-looking statements or information except as may be required by applicable securities laws.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
