TDG GOLD CORP. ANNOUNCES CLOSING OF SECOND TRANCHE OF NON-BROKERED PRIVATE PLACEMENT

White Rock, British Columbia, May 3, 2024 - TDG Gold Corp (TSXV: TDG) (the “Company” or “TDG”) is pleased to announce that it has closed the second tranche of the non-brokered private placement previously announced on February 22, 2024, April 4, 2024, and April 11, 2024 (the “Offering”), through the issuance of 1,030,000 non-flow-through units (the “NFT Units”) at a purchase price of C\$0.14 per NFT Unit (the “NFT Offering Price”) and 972,500 flow-through units (the “FT Units”) at a purchase price of C\$0.16 per FT Unit (the “FT Offering Price”), for total aggregate gross proceeds of C\$299,800 (the “Second Tranche”).

As previously described, the Company anticipates that, upon the closing of additional tranches, the Offering will consist of a combination of charity flow-through units of the Company (the “Charity FT Units”) at a price of \$0.20 per Charity FT Unit, FT Units at the FT Offering Price, and NFT Units at the NFT Offering Price, for aggregate gross proceeds of up to \$2,000,000.

Each Charity FT Unit and each FT Unit will consist of one flow-through common share of the Company and one-half of one non-flow-through common share purchase warrant. Each whole warrant will entitle the holder to acquire one common share of the Company for an exercise price of \$0.20 per share for a period of 3 years following completion of the Offering.

Each NFT Unit will consist of one non-flow-through common share of the Company and one-half of one non-flow-through common share purchase warrant. Each whole warrant will entitle the holder to acquire one common share of the Company for an exercise price of \$0.20 per share for a period of 3 years following completion of the Offering.

The Company intends to use the net proceeds of the Offering for continued exploration on TDG’s mineral properties, and general working capital.

In connection with the Second Tranche, the Company paid aggregate cash finder’s fees of C\$10,020 and issued 63,750 finder’s warrants to certain arm’s length finders. Each finder’s warrant is exercisable to acquire one common share in the capital of the Company at a price of \$0.14 per share for a period of 3 years following completion of the Offering. The Company also clarifies that it paid an additional cash finder’s fee of \$32,400 and issued 202,500 finder’s warrants to an additional arm’s length finder in connection with the closing of the first tranche of the Offering, which was previously announced on April 11, 2024.

The securities issued in connection with the Offering will be subject to a four-month and a day hold period. The Offering is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals including the approval of the TSX Venture Exchange.

About TDG Gold Corp.

TDG is a major mineral tenure holder in the historical Toodoggone Production Corridor of north-central British Columbia, Canada, with over 23,000 hectares of brownfield and greenfield exploration opportunities under direct ownership. TDG's flagship projects are the former producing, high-grade gold-silver Shasta and Baker mines, which produced intermittently between 1981-2012, and the historical high-grade gold Mets developed prospect, all of which are road accessible, and combined have over 65,000 m of historical drilling. The projects have been advanced through compilation of historical data, new geological mapping, geochemical and geophysical surveys and, at Shasta, 13,250 m of modern HQ drill testing of the known mineralization occurrences and their potential extensions. In May 2023, TDG published an updated Mineral Resource Estimate for Shasta (TDG news release [May 01, 2023](#)) which remains open at depth and along strike. In January 2023, TDG defined a larger exploration target area adjacent to Shasta ('Greater Shasta-Newberry'; TDG news release [Jan 25, 2023](#)). In Fall 2023, TDG published the first modern drill results from the Mets mining lease (TDG news releases [Sep 07, 2023](#), [Sep 11, 2023](#) and [Nov 28, 2023](#)). In early 2024, TDG identified new copper-gold target areas over an expanded footprint covering ~53 sq.km known as the 'Baker Complex' (TDG news release [Feb 28, 2024](#)).
