TDG GOLD UPSIZES NON-BROKERED PRIVATE PLACEMENT

White Rock, British Columbia, January 27, 2025. TDG Gold Corp. (TSXV: TDG) (the “Company” or “TDG”) is pleased to announce that due to significant investor demand, the Company has increased the size of its non-brokered private placement previously announced on [January 27, 2025](#) (the “Offering”), to aggregate gross proceeds of up to \$15,550,000, up from the previously announced maximum gross proceeds of \$14,550,000.

Under the new terms of the Offering, up to 8,000,000 non-flow-through shares of the Company (the “NFT Shares”) will be issued at a price of \$0.50 per NFT Share, for gross proceeds of up to \$4,000,000, which is now fully subscribed.

The terms of the 14,000,000 charity flow-through shares of the Company (the “Charity FT Shares”) to be issued at a purchase price of \$0.825 per Charity FT Share for gross proceeds of \$11,550,000, with Skeena Resources Limited (“Skeena”) as the back-end purchaser of all 14,000,000 Charity FT Shares, remain unchanged. Skeena will acquire the Charity FT Shares from the original subscribers at a purchase price of \$0.50 per Charity FT Share.

The Company intends to use the net proceeds of the Offering for (i) continued exploration on TDG’s mineral properties in British Columbia, with a principal focus on the Greater Shasta-Newberry project and Baker Complex, and (ii) general working capital.

All securities issued in connection with the Offering will be subject to a four-month and a day hold period from the date of issuance thereof. Finder’s fees may be payable on portions of the Offering. The Company’s acquisition of the Sofia Property from Skeena (the “Acquisition”), as announced on [January 27, 2025](#), and the Offering are expected to close concurrently, and remain subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals including the approval of the TSX Venture Exchange (the “Exchange”).

About TDG Gold Corp.

TDG is a major mineral tenure holder in the historical Toodoggone Production Corridor of north-central British Columbia, Canada, with over 32,000 hectares of brownfield and greenfield exploration opportunities under direct ownership. TDG’s projects include the former producing, high-grade gold-silver Shasta and Baker mines, which produced intermittently between 1981-2012, and the historical high-grade gold Mets developed prospect, all of which are road accessible, and combined have over 65,000 m of historical drilling. These projects have been advanced through compilation of historical data,

new geological mapping, geochemical and geophysical surveys and, at Shasta, 13,250 m of modern HQ drill testing of the known mineralization occurrences and their potential extensions. In January 2025, TDG published an updated Mineral Resource Estimate for Shasta (news release [January 08, 2025](#)) which remains open at depth and along strike. In January 2023, TDG defined a larger exploration target area adjacent to Shasta ('Greater Shasta-Newberry'; news release [Jan 25, 2023](#)) which is located directly adjacent to the AuRORA discovery announced by Freeport McMoran Inc. and Amarc Resources Ltd (news release [January 17, 2025](#)). In early 2024, TDG identified new copper-gold target areas over an expanded footprint covering ~53 sq.km known as the 'Baker Complex' (news release [Feb 28, 2024](#)) and which is on trend with the AuRORA discovery.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This news release includes certain statements and information that constitute forward-looking information within the meaning of applicable Canadian securities laws. All statements in this news release, other than statements of historical facts, are forward-looking statements. Such forward-looking statements and forward-looking information specifically include, but are not limited to, statements that relate to the completion of the Acquisition or the Offering, and timely receipt of all necessary approvals, including any requisite approval of the Exchange, and exploration plans of the Company.

Statements contained in this release that are not historical facts, including all statements regarding the planned completion of the Acquisition and the Offering, are forward-looking statements that involve various risks and uncertainty affecting the business of the Company. Such statements can generally, but not always, be identified by words such as "adjacent", "plans", "rapid", "intends", "focus", "extension", "accelerate", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. All statements that describe the Company's plans relating to operations and potential strategic opportunities are forward-looking statements under applicable securities laws. These statements address future events and conditions and are reliant on assumptions made by the Company's management, and so involve inherent risks and uncertainties, including, the inability to satisfy the conditions precedent to complete the Acquisition, the inability to complete the Offering, the inability to obtain all necessary regulatory approvals for the Acquisition and the Offering, consents or authorizations

required for mining activities, environmental regulations or hazards and compliance with complex regulations associated with mining activities, climate change and climate change regulations, fluctuations in exchange rates, the business objectives of the Company, the interpretation that the Greater Shasta-Newberry Target Area represents a larger mineralized system encompassing several target zones and the potential that such zones may represent additional Shasta-like deposits, the uncertainty that any mineralization encountered on adjacent properties continues on to TDG tenure, the uncertainty that geological and/or geophysical and/or any trends, interpretations, or conclusions related to adjacent properties have relevance to TDG tenure, changes in project parameters as plans to continue to be refined; accidents, labour disputes and other risks of the mining industry and such further risks as disclosed in the Company's periodic filings with Canadian securities regulators. As a result of these risks and uncertainties, and the assumptions underlying the forward-looking information, actual results could materially differ from those currently projected, and there is no representation by the Company that the actual results realized in the future will be the same in whole or in part as those presented herein. Readers are referred to the additional information regarding the Company's business contained in the Company's reports filed with the securities regulatory authorities in Canada. Although the Company has attempted to identify important factors that could cause actual actions, events, or results to differ materially from those described in forward-looking statements, there may be other factors that could cause actions, events or results not to be as anticipated, estimated or intended. For more information on the Company and the risks and challenges of its business, investors should review the Company's filings that are available at www.sedarplus.ca.

The Company provides no assurance that forward-looking statements and information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements or information. Accordingly, readers should not place undue reliance on forward-looking statements or information. The Company does not undertake to update any forward-looking statements, other than as required by law.
